

SKYWARN® WEATHER SPOTTER TRAINING

Learn about the new La Nina effects on Florida's weather. Learn how to report severe local weather. This FREE SKYWARN BASIC SPOTTER class will give you all the information needed to become a registered spotter for the National Weather Service.

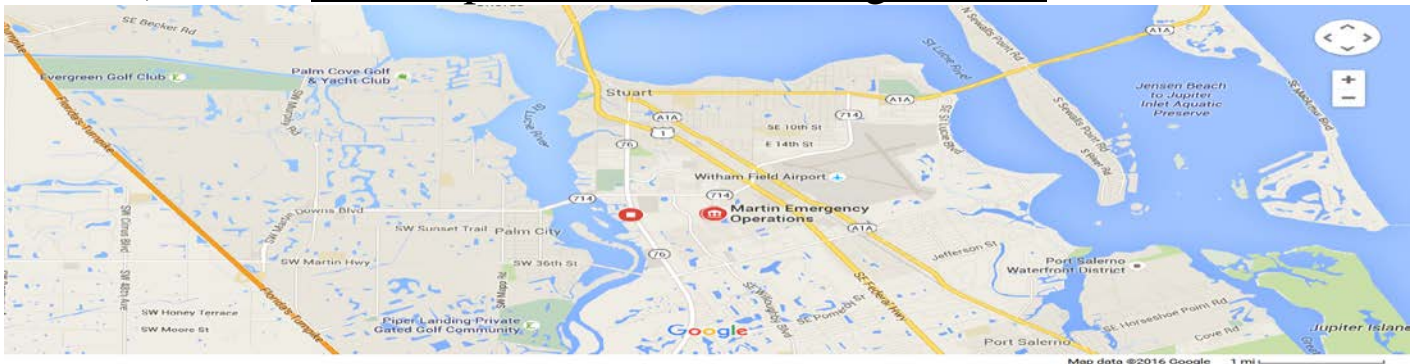

Saturday May 12, 2018
10:00 AM to 12:00 PM

Anyone interested in weather, Amateur Radio, Aviation, CERT, Red Cross, 1st Responders, Police, Fire, Mobile Home residents, etc. is invited. Bring a friend!

For more information, or to sign up please email Ray Jaworski, KI4RHL, Martin County Florida Skywarn Coordinator at autopilot9999@yahoo.com, or call (772) 485-9677. Reservations are recommended.

You can also sign up for this or other local Spotter classes at:
<http://www.weather.gov/media/mlb/skywarnclasses.pdf>

Training will be held in Room 225, 2nd floor, at the Martin County Emergency Operations Holt Center, 800 SE Monterey Road, Stuart, Florida, 34994. Doors open at 9:30 am for registration.
