Log Submission Instructions:

- 1) Fill out your name, call and other information.
- 2) Enter the total number of QSO's made.
- 3) Enter the total number of distinct zip-code pairs worked.

For example: If you worked 3 stations located in your own zip code, that counts as one zip-code pair. If you were operating mobile and worked 2 stations in 34990 while in 34994, and worked 3 station in 34990 while in 34996, that counts as two zip-code pairs.

- 4) Enter your power multiplier.

3	Less than 10 watts.
2	More than 10 watts, but less than 50 watts.
1	50 watts or higher.

- 5) Send the completed forms to Joe Sawyer (KI4OXP) by snail-mail at 1622 SW Waterfall Blvd, Palm City FL 34990 or by email to swyrjos@gmail.com.
