

# ATTENTION!!!

The Martin County Amateur Radio Association & Martin County Amateur Radio Emergency Service present the ninth in a monthly learning series about Radio & Electronics!

## **Hacking Hams** **Session #9**

**When:** Saturday, October 20th  
09:00 AM to Noon

**Where:** American Red Cross Building  
2750 S Kanner Highway  
Stuart, FL 34994

Session #9 will focus on HF and VHF/UHF antennas and measuring equipment. We will be building and tuning a simple VHF antenna. Reservations are not required, but space is limited. For more info, and to reserve your spot visit [www.mcaraweb.com/events.html](http://www.mcaraweb.com/events.html)
